A Brief History Of Our School

Rutherford is a STEM-focused private high school located in Toronto offering credits towards the OSSD to domestic and international students since 2003. We are thrilled to announce that we will be expanding our educational services to Antalya, Turkey starting from September 2023. Our new school will be located in the heart of downtown Antalya and will offer education services for students from grade 7 to grade 12.

Why Choose Us

OSSD

Earning the Ontario Secondary School Diploma upon graduation in grade 12 gives students a greater chance of being accepted into their desired universities and colleges.

University Acceptance

We guarantee 100% college acceptance for our grade 12 students in Canadian colleges, providing them with the first step to come to Canada and pursue their academic goals.

Extracurricular Activities

Whether you're interested in chess, sports, hiking, photography, or drama, we have a club for you! Our extra-curricular activities provide students with the opportunity to explore their passions, develop new skills, and make lifelong friendships.

Convenient Location

Welcome to an exciting opportunity for international students and families who live near Turkey! Our school provides a high-quality Canadian education without the need to travel all the way to Canada.

STEM Oriented School

Science | Technology | Engineering | Math
